The image shows a large, hand-drawn word "TEA" in a bold, blocky font. The letters are primarily blue with thick purple outlines. The "T" on the left has a horizontal bar extending from its top. The "E" in the center has a small vertical stroke on its right side. The "A" on the right has a horizontal bar extending from its top. At the bottom of the image, there is a partial view of a red and black circular object, possibly a lid or a cap, which partially obscures the base of the "T". The background is plain white.
